

## PASSIONATELY BUILDING HIS CHURCH 2009

*"My father is glorified by this, that you bear much fruit and so prove to be my disciples."* John 15:8

### CHURCHES LAUNCHED

We rejoice as Jesus continues to build His church! **Ten new Harvest Bible Chapels** were launched in 2009. Nine churches were planted and one was transitioned. Three are international and seven in North America.

### HEALTH AND GROWTH

### PASTORAL AND LEADERSHIP TRAINING

We are committed to **passionately pursuing the fulfillment of Jesus Christ's promise to build His church** by planting, transitioning, and equipping vibrant, high-impact, local Harvest Bible Chapels that reproduce themselves around the world.

We launched **two training initiatives** in 2009 with the express purpose of increasing the fruitfulness of our churches:

- **Video conferencing software** now enables us to connect with all our Senior Pastors at one time. This technological investment provides a leveraged, cost-effective way to both fellowship with and better equip these faithful men.
- **An intensified focus on the stages of growth** for our church plants has catalyzed new training development. Every stage in the life of a church, from infancy to maturation, has key challenges to address. We have given a great deal of time toward identifying the top three challenges for each stage, and are developing specific training for each key challenge to help our churches grow to the next stage of maturity.

Our **Training Center** had another very active and profitable year. With our focus on practical and rigorous aspects of church planting, **sixteen Senior Pastors** attended our residency programs.

**Harvest University**, our 2½-day annual training conference, continues to expand in impact and influence. In 2009, **over 550 Senior Pastors and leaders** gathered to learn best practices in applying God's Word to the work of ministry.
